In-Person

*3-year Qualified SW Mgr. certification available for an additional $50

Location Below
Durango Public Library
Program Room #1
1900 E 3rd Avenue
Durango, CO 81301
This course is an introductory course for Stormwater Management and Erosion Control, based on the General Construction Permits under the Colorado Discharge Permitting System (CDPS) program. This program has been developed for anyone responsible for the proper installation, maintenance, and inspection of Control Measures (CMs) for the control of stormwater run-off, pollutants, erosion and sedimentation at construction sites. The program covers:

- The Stormwater Program legal requirements, including permitting and SWMPs.
- Erosion & sedimentation at construction sites.
- Types of CMs for specific conditions to control erosion & sedimentation.
- CMs for managing other sources of pollution; petroleum products, wastes, staging & equipment.
- Installing construction site CMs.
- Inspecting and maintaining construction site CMs.

*Counts as a prerequisite for Qualified Stormwater Manager course.

This two-day intermediate training program will prepare a Qualified Stormwater Manager to competently handle all aspects of the Stormwater Management Plan (SWMP) in daily site operations. The program covers:

- The responsibilities of a Qualified Stormwater Manager
- Requirements of the Stormwater Discharges Associated with Construction Activity General Permit
- Importance of Preconstruction Site Assessments
- Selection process for adequate control measures
- Evaluation of SWMPs & modification of documents
- Conducting productive site inspections
- Proper documentation practices
- Assessing Corrective Actions

*Prior training required.

A 3-year Qualified Stormwater Manager Certification is available from Red Rocks Community College upon successful completion of a certification test and an additional $50 fee.

Course includes a field trip to an active construction site. Participants are required to bring their own personal protective equipment.

REGISTRATIONS ARE LIMITED!

If registering by phone or e-mail, please mail your checks on or before April 12th, 2024 to the address below, or you may pay at the door. Make checks payable to: CITY OF DURANGO
